

# Planning Inspectorate

## Health and safety at the site questionnaire

The Inspector will visit the site and will need to know what safety equipment and protective clothing to bring. The following questions indicate the type of information the Inspector will need about the site. Please supply any additional information on a separate sheet of paper.

1. Is the site uneven or does it present any other known risks? Is special footwear or any other Personal Protection Equipment required?

No.

No.

2. Is there any likelihood of exposure to pets or other animals which may present a risk to the safety of the Inspector?

No.

3. Is the site remote and/or can it be seen from other highways or rights of way?

The whole of the Order Route can be seen from existing recorded public rights of way but the nearest public vehicular highway is approximately 900m away (Swainswick Lane).

4. Does the site have a good mobile phone signal or is there easy access to a public telephone should the emergency services be required?

There is good mobile phone signal but no access to a public telephone.

5. Is the right of way easily accessible? Will arrangements for access by the Inspector need to be made in advance?

The nearest public vehicular highway is approximately 900m away (Swainswick Lane) but it is possible to drive to the site over a tarmacked access track with the permission of the landowner.

6. Are there any dangerous pieces of equipment or substances stored at any point along the right of way?

No.

7. If there is any other relevant information which the Inspector should be aware of that is not covered in this questionnaire?

No.
