

## PUBLIC RIGHTS OF WAY CONSULTATION

Bath and North East Somerset Council have received an application to record a public footpath on the Definitive Map and Statement, which is the legal record of public rights of way.

The application relates to a route commencing from a junction with Morley Terrace at grid reference ST 6931 5525 (point A on the Consultation Plan) and proceeding in a generally easterly direction past Tynning Inn public house for approximately 66 metres to a junction with public footpaths CL24/81 and CL24/82 and Stoneable Road at grid reference ST 6938 5526 (point B on the Consultation Plan).

The application does not seek to create a new public right of way, but rather, it seeks to record a public right of way which the applicant believes already exists. This can be proven by using evidence from historical documents and/or by demonstrating that members of the public have used the route for more than 20 years ‘as of right’ (i.e. without force, without secrecy and without permission) and without the landowner demonstrating a lack of intention to dedicate during that time.

If you have any evidence relating to the Application Route, or you have previously used the Application Route and would like to complete a User Evidence Form, please contact the Council’s Public Rights of Way Team at [pro@bathnes.gov.uk](mailto:pro@bathnes.gov.uk) or on 01225 477650 no later than **14<sup>th</sup> November 2025**.
