# PUBLIC RIGHTS OF WAY CONSULTATION

Bath and North East Somerset Council have received an application to record a public footpath on the Definitive Map and Statement, which is the legal record of public rights of way.

The application relates to a route which commences from a junction with Meadow Park at point A (grid reference ST 7869 6731) and proceeds in a generally easterly direction over a concrete path for approximately 105 metres to a junction with public footpath BA3/24 at Point B (ST 7879 6731).

The application does not seek to create a new public right of way, but rather, it seeks to record a public right of way which the applicants believe already exist. This can be proven by using evidence from historical documents and/or by demonstrating that members of the public have used the route for more than 20 years 'as of right' (i.e. without force, without secrecy and without permission) and without the landowner demonstrating a lack of intention to dedicate during that time.

If you have any evidence relating to the Application Route, or you have previously used the Application Route and would like to complete a User Evidence Form, please contact the Council's Public Rights of Way Team at <a href="mailto:prow@bathnes.gov.uk">prow@bathnes.gov.uk</a> or on 01225 477650 no later than 15<sup>th</sup> December 2021.
