

FOR THE ATTENTION OF ALL PUBLIC FOOTPATH USERS

B&NES Council are proposing to change the Public Rights of Way network in respect of Public Footpath BA2/11 in the Parish of Batheaston

The general effect of the proposal is shown on the above plan.

The section of the public footpath commencing from grid reference ST 7652 6875 at point A on the plan proceeding in a generally north-northeasterly direction to point B would be stopped up, as shown by a continuous black line. The new line of the public footpath would commence from point A and proceed in a generally north-northeasterly direction to point C, as shown by a dashed black line. The new section of footpath would be two metres wide along its entire length.

This change is proposed in the interests of the landowners, to divert the footpath away from a field containing solar panels.

The change would be achieved by way of a diversion order made under Section 119 Highways Act 1980.
