## Bath & North East Somerset Council

## PUBLIC RIGHTS OF WAY CONSULTATION

Bath and North East Somerset Council have received an application to record a public footpath on the Definitive Map and Statement, which is the legal record of public rights of way.

The application relates to a route commencing from a junction with public footpath CL20/20 at grid reference ST 5865 5936 (point A) and proceeding in a generally east-north-easterly direction for approximately 119 metres to a junction with Church Lane at grid reference ST 5876 5940 (Point B).

The application does not seek to create a new public right of way, but rather, it seeks to record a public right of way which the applicant believes already exist. This can be proven by using evidence from historical documents and/or by demonstrating that members of the public have used the route for more than 20 years 'as of right' (i.e. without force, without secrecy and without permission) and without the landowner demonstrating a lack of intention to dedicate during that time.

If you have any evidence relating to the Application Route, or you have previously used the Application Route and would like to complete a User Evidence Form, please contact the Council's Public Rights of Way Team at <a href="mailto:prow@bathnes.gov.uk">prow@bathnes.gov.uk</a> or on 01225 477650 no later than **24**<sup>th</sup> **June 2024**
