

Background Information

Bath & North East Somerset Council is carrying out a project to complete the legal record of public rights of way (footpaths, bridleways, restricted byways and byways open to all traffic) in the City of Bath. The legal record is held by the Authority and is known as the definitive map and statement (DM&S). Information held on the DM&S is also shown on Ordnance Survey mapping. If you would like more information about the scope and purpose of the project, please follow the link below to the Council's website:
