

FOR THE ATTENTION OF ALL PUBLIC FOOTPATH USERS

B&NES Council are proposing to divert a section of Public Footpath CL16/23 in the Parish of Paulton. The general effect of the proposal is shown on the adjacent plan.

The section of the footpath commencing from grid reference ST 6631 5653 at point A on the plan and proceeding in a generally north-northwesterly direction to grid reference ST 6629 5659 at point B would be stopped up, as shown by a continuous black line. The new line of the footpath would commence from point A and proceed in a generally north-northwesterly direction to grid reference ST 6630 5659 at point E, via points C & D, as shown by a dashed black line. The new section of path between points A & D would be fenced to a three-metre width, levelled and surfaced with stone. A gap will be made in the fence line at point F, to connect the route with Public Footpath CL16/22.

These changes are proposed in the interests of the relevant landowners, to divert the footpath away from their bungalow.

The changes would be achieved by way of a diversion order made under section 119 of the Highways Act 1980 ('the Act').

If you have any comments regarding the above proposals, please ensure that they are received by the Public Rights of Way team **no later than 4 October 2025**.
