Thank you for your correspondence of 25 March 2026.

Notice of this extension must be published in the same newspaper in which notice in respect of the Order was published, together with a description of the alternative routes if available.

Please note that should any further extension be requested, you are expected to provide the Secretary of State with evidence as to the progress of the works, together with the reasons for any delays, or a timetable showing the planned works and their expected completion date. **If this is not provided, it may delay a decision on your application.**

Yours sincerely
